

The following images correspond to the measurements of each level in which the system will be implemented. All dimensions shown in the pictures are expressed in meters (m), and the units of the squares are given in **width x height**.

- 3rd & 2nd Level*

*The 2nd level contains the dimensions of the upper square shown in the image above.

- 1st Level

For a better visualization of the parking lots, the following images show the environment in panoramic view:

Panoramic View [Third Level - Parking Lot 1]

Panoramic View [Third Level - Parking Lot 2]

Panoramic View [Second Level]

Panoramic View [Showroom 1] (there is 3 more showrooms)
